

Email 10: Re-engagement - Gentle Restart

Metadata

- Sequence: Re-engagement
- Day: 0
- Send time: 8:15 AM local
- Primary CTA: Restart in 2 minutes

Subject Line Variants

1. Want to restart with a simpler plan? (Recommended)
2. No pressure. Just one check-in today.
3. If life got busy, start here

Preview Text

No guilt. No perfect plan. Just one small restart step.

Email Copy

Hi [First Name],

If things got busy, you are not alone.

You do not need to restart perfectly.

You just need one clean check-in to get moving again.

Try this today:

- log one symptom
- log one behavior
- complete one prompt

That is enough to restart signal quality.

Come back in 2 minutes: [Restart in 2 minutes]
