- Sequence: Re-engagement
- Day: 6
- Send time: 8:15 AM local
- Primary CTA: Reactivate now

Subject Line Variants

1. Final reminder: keep your health signal visible (Recommended)
2. Should we pause these emails?
3. Last check-in from us

Preview Text

If now is not the right time, we can adjust. If it is, we are ready.

Email Copy

Hi [First Name],

Final check-in from us.

If now is the right time, we would love to help you restart with a low-friction plan.

If now is not the right time, that is okay too. You can reduce frequency or unsubscribe at any point.

If you do want to continue building clarity and consistency, reactivation takes just a couple of minutes.

Reactivate now: [Reactivate now]

Whatever you choose, thank you for being here.
