

Email 03: Convert Trial to Paid

Metadata

- Sequence: Welcome
- Day: 5
- Send time: 8:15 AM local
- Primary CTA: Upgrade now

Subject Line Variants

1. Keep your progress going (before trial ends) (Recommended)
2. You're at the point where xHeal gets most valuable
3. Don't reset momentum right as insights improve

Preview Text

Your baseline is now forming. Keep continuity and compound results.

Hi [First Name],

By now, xHeal has started learning your patterns.

This is the moment most users begin to see real value:

- clearer trend context
- earlier warning signs
- better day-to-day decisions

If you stop now, continuity breaks.

If you continue, insight quality compounds week by week.

If xHeal has already reduced uncertainty for you, continue with full access.
